

"Island Hills Welcomes EWGA Long Island Chapter to Join Us for the Annual Babe Zaharius Tournament."

Island Hills Golf Club is rich with a membership that has continuously played an important role in the Annual Babe Zaharias Tournament to benefit the American Cancer Society. This grass roots Long Island fundraising effort has raised over a million dollars each year and is dedicated to eliminating cancer as a major health problem by preventing cancer, saving lives, and diminishing suffering from cancer, through research, education, advocacy and patient services.

This year Island Hills is once again hard at work to raise money and build awareness of the services that are available to Long Island families through the American Cancer Society. Activities throughout the season will include the 50/50 raffle, a "Tree of Life" to honor those we have treasured in our lifetime, and back by popular demand, the Island Hills Bake Sale.

Your past support has always been appreciated and we are asking your generous participation this year. Please help by purchasing a raffle ticket, hanging a leaf on the Tree of Life, baking or buying something for our bake sale, buying a Tee-Sign or donating an item that we can use for a prize! Our volunteers will appreciate the support.

Island Hills Golf and Country Club, Sayville, NY
